CYBER EBOT WATTSON, PRE-FILING ORDER  
Plaintiff,

\_\_\_\_\_/

On May 22, 2014, the Court entered an order to show cause why the court should not impose a pre-filing order on Cyber Ebot Wattson. In that order, the Court advised Mr. Wattson that if, within thirty days of the date of the order, he did not file a statement showing cause why a pre-filing order should not be issued, the Court would enter the pre-filing order and it would be applicable in all future actions filed by Mr. Wattson. Any response by Mr. Wattson was due by June 23, 2014. To date, Mr. Wattson has not filed any response.

IT IS HEREBY ORDERED that the Clerk of this Court shall not accept for filing any further complaints filed by Cyber Ebot Wattson, until that complaint has first been reviewed by the Court. A two-stage pre-filing review will be conducted before leave is granted to file the action. First, if the complaint is related to any of the following subject matters:

- (1) Mr. Wattson's identity as a robot or a "cybernet citizen;"
- (2) sexual slavery;

- (3) abduction and torture;
- (4) the misidentification of Mr. Wattson as either Aaren or Darren Striplin; or
- (5) hijacked airplanes

it will not be filed unless it presents cognizable claims that are not based on merely conclusory allegations. Second, no other complaints filed by Mr. Wattson will be filed unless they contain intelligible factual allegations and claims for relief. All cases filed by Mr. Wattson shall be forwarded to the undersigned for pre-filing review.

IT IS SO ORDERED.
